Furthermore, each Owner, Lessee and Resident, for themselves and their families, invitees and licensees, acknowledge that the gated entrances may restrict or delay entry into the Project by the police, fire department, ambulances and other emergency vehicles or personnel. Each Owner, Lessee and Resident, for itself and its families, invitees and licensees, agrees to assume the risk that the gated entrances will restrict or delay entry to the Project by emergency vehicles and personnel. 2.7.2 The roads within the Project, including the off-site access road through Las Vegas Ranch, have been built to standards established by the Developer. The roads are not engineered or constructed to Yavapai County standards nor have they been inspected or approved by Yavapai County. Therefore the roads may present a danger to drivers and their passengers. Neither the Declarant, Developer, nor the Association make any representation or warranty, expressed or implied, regarding the design and construction of the roads. Neither the Declarant, Developer, or Related Parties, the Las Vegas Ranch, the Association, nor any director, officer, agent or employee of the Association shall be liable to any Owner, Resident, Lessee or its family, invitees or licensees for any claims or damages resulting, directly or indirectly, from the existence of such animals within the Project.

Each Owner, Lessee and Resident, for himself and his family, invitees and licensees, acknowledges, understands and agrees that the operations of the Las Vegas Ranch may present hazards to and create additional burdens upon Owners, including, but not limited to insects, odors, and noises associated with operating ranches. The Las Vegas Ranch may cause inconvenience and disturbance and possible injury to the Owners, Lessees, Residents and their families, invitees and licensees; however, each Owner, Lessee and Resident has considered the location of the Parcel being purchased, leased or occupied and its proximity to the Las Vegas Ranch. By acceptance of a deed or by acquiring any interest in any of the Property, each Owner, Lessee and Resident, for himself and his family, invitees and licensees, acknowledges and assumes the risks of the aforesaid nuisance, inconvenience, disturbance, damage and possible injury to persons.

2.7.5 This Declaration allows Owners, Residents and Lessees to keep horses, cattle, livestock, and other animals and to erect facilities for the housing and care of those animals. In addition, Developer may but is not obligated to construct or designate equestrian trails throughout the Project. Each Owner, Lessee and Resident, for itself and its families, invitees and licensees, acknowledges that (i) keeping and riding horses, cows and other animals within the Project may create noise, odors and dust and attract insects associated with animals ; and (ii) activities involving animals may create a dangerous condition and persons may be subject to personal injury (including, without limitation, death) and property damage as a result thereof. Neither the Declarant, Developer, or Related Parties, the Association, nor any director, officer, agent or employee of the Association shall be liable to any Owner, Resident, Lessee or its family, invitees or licensees for any claims or damages resulting, directly or indirectly, from the keeping and/or riding of such animals within the Project.

2.7.6 Each Owner, Resident and Lessee hereby releases the Declarant, Developer, Related Parties, and the Association from any and all claims, actions, suits, demands, causes of action, losses, damages or liabilities (including, without limitation, strict liability) related to or arising in connection with any nuisance, inconvenience, disturbance, injury or damage resulting from activities or occurrences or standards described in this Section 2.7.

2.8.2 Each Owner, Lessee and Resident, for himself and his family, invitees and licensees, acknowledges, understands and agrees that (i) activities at the Forest Staging Area may create noise, odors and dust and attract insects associated with horses; (ii) the proximity to the Forest Staging Area to certain Parcels may create additional burdens upon Owners; and (iii) activities involving horses, all terrain vehicles (ATVs) and motorcycles may create a dangerous condition and persons may be subject to personal injury (including, without limitation,

death) and property damage as a result thereof. The existence of the Forest Staging Area may cause inconvenience and disturbance to the Owners, Lessees, Residents and their families, invitees and licensees, especially those parcels adjoining the Forest Staging Area; however, each Owner, Lessee and Resident has considered the location of the Parcel being purchased, leased or occupied and its proximity to the Forest Staging Area. By acceptance of a deed or by acquiring any interest in any of the Property, each Owner, Lessee and Resident, for himself and his family, invitees and licensees, acknowledges and assumes the risks of the aforesaid nuisance, inconvenience, disturbance and injury to persons. The Declarant, Developer, and Related Parties, the Association, any director, officer, agent or employee of an owner or operator of the Association, individually or collectively, shall not be responsible or accountable for, and shall have no liability (including, without limitation, strict liability) for any claims, causes of action, losses, damages, costs or expenses (including, without limitation, attorneys' fees and court costs) for any nuisance, inconvenience, disturbance, property damage or personal injury (including, without limitation, death) arising from the Forest Staging Area activities involving horses, ATVs or motorcycles, or actions or omissions incidental to Forest Staging Area activities within the Project. The Design Review Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in Sections 3.1 through 3.27 if the Design Review Committee determines in its sole discretion that: (i) a restriction would create an unreasonable hardship or burden on an Owner, Lessee or Resident or a change of circumstances since the Recordation of this Declaration has rendered such restriction obsolete and (ii) the activity permitted under the variance will not have any substantial adverse effect on the Owners, Lessees and Residents of the Project and is consistent with the high quality of life intended for Residents of the Project. If any restriction set forth in this Article 3 is adjudged or deemed to be invalid or unenforceable as written by reason of any federal, state or local law, ordinance, rule or regulation, then a court or the Board, as applicable, may interpret, construe, rewrite or revise such restriction to the fullest extent allowed by

The vote or votes for each such Parcel must be cast as a unit, and fractional votes shall not be allowed. In the event that a Parcel is owned by more than one Person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. The Design Review Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as the Developer is a Member of the Association, the Developer shall have the sole right to appoint and remove all members of the Design Review Committee. At such time as the Developer no longer is a Member of the Association, the members of the Design Review Committee shall be appointed by the Board. The Developer may at any time voluntarily surrender its right to appoint and remove the members of the Design Review Committee, and in that event the Developer may require, for so long as the Developer is a Member of the Association, that specified actions of the Design Review Committee, as described in a Recorded instrument, be approved by and executed by the Developer before they become effective. The Design Review Committee may adopt, amend and repeal architectural guidelines, standards and procedures to be used in rendering its decisions by establishing Design Guidelines. The Design Guidelines may include, without limitation, provisions regarding: (i) architectural design, with particular regard to the harmony of the design with the surrounding structures and topography; (ii) placement of Residential Units and other buildings; (iii) landscaping design, content and

The Design Review Committee may establish one or more subcommittees consisting of one or more members of the Design Review Committee and may delegate to such subcommittee or subcommittees the authority and power of the Design Review Committee to approve or disapprove the construction, installation or alteration of Improvements within a specified portion of the Project.

5.12 Conveyance or Encumbrance of Areas of Association Responsibility. Except for dedications to Yavapai County or any other governmental or quasi-governmental authority, and except for conveyances to a trust or private entity for the purpose of nature conservancy and the granting of easements incidental thereto, the Areas of Association Responsibility shall not be mortgaged, transferred, dedicated or encumbered after the Transition Date without the prior written consent or affirmative vote of Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Members of the Association. The Board shall have the right to change the size, shape or location of the Areas of Association Responsibility upon (a) adoption of a resolution by the Board stating that in the Board's opinion the change proposed shall be for the benefit of the Members and Residents and shall not substantially adversely affect them, and (b) the approval of such resolution by Developer as long as the Developer owns any property within the Project.

5.13 Procedure for Change of Use of Areas of Association Responsibility. Upon (a) adoption of a resolution by the Board stating that in the Board's opinion the then present use of a designated part of the Areas of Association Responsibility is no longer in the best interests of the Members and Residents, and (b) the approval of such resolution by Developer as long as the Developer owns any property within the Project, the Board shall have the power and right to change the use of such property (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and Improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided such new use (i) shall be for the benefit of the Members and Residents, as determined by the Board, and (ii) shall be consistent with any deed restrictions, zoning and other municipal regulations restricting or limiting the use of the land.

5.14 Contracts with Others for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Developer and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more directors or officers of the Association or members of any committee are employed by or otherwise connected with Developer or its affiliates, provided that the fact of such interest shall be disclosed or known to the other directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which such person is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by Developer, its affiliated companies or any competitor thereof and may vote at the meeting to authorize any such contract, transaction or approval with like force and effect as if he were not so interested.

5.15 Suspension of Voting Rights. If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

ARTICLE 6

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. Each Owner, by becoming the Owner of a Parcel, is deemed to covenant and agree to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Parcel and shall be a continuing lien upon the Parcel against which each such Assessment is made. Each Assessment, together with interest and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the Person who was the Owner of the Parcel at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period, shall assess against each Parcel which is Assessable Property an Annual Assessment, which shall be allocated to each Parcel in accordance with Section 6.3 below. The total amount to be assessed against the Parcels as an Annual Assessment shall be the amount which is reasonably estimated by the Board to produce income to the Association equal to the total budgeted Common Expenses taking into account other sources of funds available to the Association.

6.2.2 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are or will become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessments by Members, it may increase the Annual Assessment, to the extent permitted by law, for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board. Notwithstanding any provision in the Declaration, Bylaws or Association Rules, the Board shall not impose an Annual Assessment in any Assessment Period in excess of that amount permitted by law; however, to the extent that the law shall permit any increase in the Annual Assessment which requires the approval of the majority of Members, such increase shall be implemented only upon approval of the majority of Members.

6.3 Determination of Annual Assessment. The amount of the Annual Assessment for each Parcel owned by Class A Members shall be the amount obtained by dividing the total budget of the Association for the Assessment Period for which the Annual Assessment is being levied by the total number of Parcels contemplated for the Project by the Master Plan. If the Master Plan is amended during any Assessment Period, then the Annual Assessment levied for such Assessment Period may be adjusted accordingly at the discretion of the Board.

6.4 Obligation of Developer for Deficiencies. Until the Transition Date, Developer shall pay and contribute to the Association, within thirty (30) days after the end of each fiscal year of the Association, or at such other times as may be requested by the Board, such funds as may be necessary, when added to the Annual Assessments collected by the Association, to pay all Common Expenses of the Association as they become due. After the Transition Date, Developer shall pay an Annual Assessment for each Parcel owned by the Developer in the same amount as the Annual Assessment paid by the Class A Members, whereupon Developer shall no longer be obligated to pay any sums to the Association pursuant to this Section.

6.5 Special Assessments. The Association may levy against each Parcel which is Assessable Property a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement upon an Area of Association Responsibility, including fixtures and personal property related thereto, provided that any Special Assessment is approved by Class A Members having more than two-thirds (2/3) of the votes entitled to be cast by Class A Members present in person or by proxy at a meeting duly called for such purpose and the consent of the Developer so long as the Developer owns any Parcel or property within the Project. Special Assessments shall be levied at a uniform rate per Membership.

6.6 Assessment Period. The period for which the Annual Assessment and any Special Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Assessments, shall commence upon the conveyance of the first Parcel to a Purchaser or a Builder and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

6.7 Commencement Date of Assessment Obligation. Each Parcel within the Property described in Exhibit 1 to this Declaration and each Parcel annexed pursuant to Section 2.3 of this Declaration shall be subject to assessment upon the conveyance of each such Parcel to a Purchaser, except that any Parcel owned by the Developer shall be subject to assessment on the first day following the Transition Date.

6.8 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on a monthly, quarterly or semiannual basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even

though the ownership of a Parcel changes during an Assessment Period but successor Owners of Parcels shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.9 Effect of Nonpayment of Assessments; Remedies of the Association.

6.9.1 Any Assessment, or any installment of an Assessment, not paid within fifteen (15) days after the Assessment, or the installment of the Assessment, first became due (or such longer period of time as required by applicable law) shall be deemed delinquent and shall bear interest from the due date on which such Assessment or installment of the Assessment first became delinquent at the rate of eighteen percent (18%) per annum. In addition, the Board may establish a late fee, not to exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid Assessment or installment thereof (but in no event an amount greater than permitted under applicable law), to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due. Notwithstanding the foregoing, to the extent applicable law from time to time provides for any shorter period of time after which Assessments or any other amounts payable hereunder may or shall become delinquent, such shorter period of time may be set by the Board to apply in lieu of the time period set forth in this Declaration, and to the extent applicable law from time to time provides for any greater amount of late fee or other amount to be charged to any Owner deemed delinquent in the payment of any Assessment, or any installment of an Assessment, such greater amount may be set by the Board to apply in lieu of the late fee set forth in this Declaration.

6.9.2 To the extent permissible by law, the Association shall have a lien on each Parcel for: (i) all Assessments levied against the Parcel; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Parcel or payable by the Owner of the Parcel; (iii) all monetary penalties levied against the Owner of the Parcel; (iv) all attorneys' fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Parcel; (v) any amounts payable to the Association pursuant to Section 7.3 or 7.4 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project Documents. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Parcel against which the Notice of Lien is Recorded and the amount claimed to be past due as of the date of the Recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before Recording any Notice of Lien against a Parcel, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments and all other amounts due to the Association by such Owner. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with Recording a Notice of Lien against the Parcel. If the Association records a Notice of Lien, the Association may charge the Owner of the Parcel against which the Notice of Lien is Recorded a lien fee in an amount to be set from time to time by the Board.

6.9.3 Unless otherwise provided under Arizona law, the Assessment Lien shall have priority over all liens or claims except for: (i) liens and encumbrances Recorded before the Recordation of this Declaration; (ii) tax liens for real property taxes; (iii) assessments in favor of any municipal or other governmental body, including, without limitation, any utility improvement district formed to provide utility service to the Project; and (iv) the lien of any First Mortgage on the Parcel. Any First Mortgagee or any other Person acquiring title or coming into possession of a Parcel through foreclosure of the First Mortgage, purchase at a foreclosure sale or

trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid Assessments and charges against the Parcel which became payable prior to the acquisition of such Parcel by the First Mortgagee or other Person. Any Assessments and charges against the Parcel which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Parcel.

6.9.4 The Association shall not be obligated to release the Assessment Lien as to any portion of Assessments past due until all such delinquent Assessments, interest, lien fees, monetary penalties, reasonable attorneys' fees, court costs, title report fees, collection costs and all other sums payable to the Association by the Owner of the Parcel have been paid in full. In no event shall such release of past due Assessments release the lien of this Declaration as to all other Assessments to become due hereunder.

6.9.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to: (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments and (ii) bringing an action to foreclose the Assessment Lien against the Parcel in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Parcels purchased at such sale.

6.10 Evidence of Payment of Assessments. Upon receipt of a written request from a lienholder, Member or Person designated by a Member, to the extent required by law, the Association shall issue, or cause to be issued, within the time period required by applicable law, a statement setting forth the amount of any unpaid Assessment or other fee or charge against the Parcel. The Association may impose a reasonable charge for the issuance of such statements, which charge shall be payable at the time the request for any such statement is made. Any such statement, when duly issued as herein provided, shall be conclusive and binding on the Association with respect to any matters therein stated as against any bona fide purchaser of, or lender on, the Parcel in question.

6.11 Purposes for which Association's Funds To Be Used. The Association shall use all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) solely for the purpose of (i) discharging and performing the Association's duties and obligations under the Project Documents; (ii) exercising the rights and powers granted to the Association by the Project Documents, and (iii) the common good and benefit of the Project and the Owners, Lessees and Residents, by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners, Lessees and Residents. Notwithstanding any other provision of this Declaration to the contrary, until the Transition Date, funds of the Association may not be used for the initial construction of Improvements on the Areas of Association Responsibility unless approved by Class A Members having more than two-thirds (2/3) of the votes entitled to be cast by Class A Members present in person or by proxy at a meeting duly called for such purpose and the consent of the Developer so long as the Developer owns any Parcel or property within the Project.

6.12 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining.

The Association shall not be obligated to reduce the amount of any Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

6.13 Working Capital Fund. To ensure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Parcel from the Developer shall pay to the Association immediately upon becoming the Owner of the Parcel a sum equal to one-sixth (1/6th) of the then current Annual Assessment attributable to the Parcel. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Project Documents. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

6.14 Reserve Fund. To ensure that the Association shall have adequate funds reserved for repair and replacement of the Improvements within the Areas of Association Responsibility, each Purchaser of a Parcel from the Developer shall pay to the Association immediately upon becoming the Owner of the Parcel a sum equal to one-sixth (1/6th) of the then current Annual Assessment attributable to the Parcel. Until the Transition Date, funds paid to the Association pursuant to this Section shall be deposited into a separate reserve account and may be used by the Association only for the repair and replacement of Improvements within the Areas of Association Responsibility. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

6.15 Transfer Fee. Immediately upon becoming the Owner of a Parcel, such Owner shall pay to the Association or to its managing agent, if directed to do so by the Board, a transfer fee in such amount as is established from time to time by the Board.

ARTICLE 7

MAINTENANCE

7.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility, but all Areas of Association Responsibility, and the Improvements located thereon, shall be maintained in good condition and repair at all times. No Owner, Resident or other Person shall construct or install any Improvements on the Areas of Association Responsibility or alter, modify or remove any Improvements situated on the Areas of Association Responsibility without the prior written approval of the Board. No Owner, Resident or other Person shall remove, add to or modify any plants, trees, or other landscaping Improvements in the part of their Parcel which constitutes an Area of Association Responsibility without the prior written approval of the Board. No Owner, Resident or other Person shall obstruct or interfere with the Association in the performance of the Association's maintenance, repair and replacement of the Areas of Association Responsibility, and the Improvements located thereon. The Association shall be responsible for the control, maintenance and payment of liability insurance on the Areas of Association Responsibility.

7.2 Parcels. Each Owner of a Parcel shall be responsible for maintaining, repairing or replacing his Parcel, and all buildings, Residential Units, landscaping or other Improvements situated thereon , except for any portion of the Parcel which is an Area of Association Responsibility. All buildings, Residential Units, landscaping and other Improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines and plants of any type within a Parcel shall be irrigated (to the extent necessary to produce healthy plant material), mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass within a Area of Disturbance which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Design Review Committee. No yard equipment or storage areas may be maintained so as to be Visible From Neighboring Property or streets.

7.3 Assessment of Certain Costs of Maintenance and Repair. In the event that the need for maintenance or repair of an Area of Association Responsibility, or any Improvement situated thereon, is caused through the willful or negligent act of any Owner, his family, Lessees, guests or invitees, the cost of such maintenance or repairs shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

7.4 Improper Maintenance and Use of Parcels. In the event any portion of any Parcel is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Parcels or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Parcel is being used in a manner which violates this Declaration; or in the event the Owner of any Parcel is failing to perform any of his obligations under the Project Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

7.5 Parcel Fences; Shared Fences.

7.5.1 Each fence to be built on a Parcel shall require the prior written approval of the Design Review Committee.

7.5.2 The Owners of contiguous Parcels who share a fence (shared fence), shall both equally have the right to use such fence provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner;

7.5.3 The adjoining Owners shall each have the right to perform any necessary maintenance, repair or replacement of the shared fence and the cost of such maintenance, repair or replacement shall be shared equally by the adjoining Owners except as otherwise provided in this Section.

7.5.4 In the event that any shared fence is damaged or destroyed through the act of an Owner, it shall be the obligation of such Owner to rebuild and repair the shared fence to the same condition as existed prior to such damage or destruction without cost to the other Owner or Owners;

7.5.5 In the event any such shared fence is damaged or destroyed by some cause other than the act of one of the adjoining Owners, his agents, Lessees, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then, in such event, both such adjoining Owners shall proceed forthwith to rebuild or repair the same to the same condition as existed prior to such damage or destruction at their joint and equal expense.

7.6 Maintenance of Perimeter and Areas of Association Responsibility Fences.

7.6.1 In the event a perimeter fence constructed by Declarant unintentionally creates an encroachment upon a Parcel, a valid easement for such encroachment and for the maintenance of the perimeter fence shall and does exist in favor of Declarant.

7.6.2 Parcel perimeter fences located on a Parcel and not adjoining an Area of Association Responsibility, shall be maintained, repaired and replaced by the Owner of the Parcel; however such fences may not be removed without the prior written consent of the Board.

7.6.5 Any fence which is placed on the boundary line between a Parcel and an Area of Association Responsibility shall be maintained, repaired and replaced by the Association. In the event any fence constructed by Developer which has been placed on the boundary line between a Parcel and an Area of Association Responsibility unintentionally creates an encroachment upon a Parcel, a valid easement for such encroachment and for the maintenance of the boundary fence shall and does exist in favor of the Association.

7.7 Common Driveways. The topography and configuration of certain Parcels may require that a driveway be shared by adjoining Owners. Except as otherwise may be provided in another Recorded instrument:

7.7.1 Each driveway designated on a Parcel plan approved by the Design Review Committee for use by two Parcels shall constitute a common driveway;

7.7.2 The Owners of contiguous Parcels with a common driveway each shall have the right to use the common driveway; provided, however, that the use by one Owner shall not interfere with the use and enjoyment of the driveway by the other Owner;

7.7.3 The adjoining Owners shall each have the right to perform any necessary maintenance, repair or replacement of the common driveway and the cost of the maintenance, repair or replacement shall be shared equally by the adjoining Owners;

7.7.4 If a common driveway is damaged or destroyed through the act of an Owner, his agents, employees or contractors, it shall be the obligation of such Owner to rebuild and repair the common driveway without cost to the other Owner;

7.7.5 If a common driveway is damaged or destroyed by some cause other than the act of one of the adjoining Owners, his agents, Lessees, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then both adjoining Owners, at their joint and equal expense, shall repair or replace the driveway;

7.7.6 The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title;

7.7.7 In addition to meeting the other requirements of this Declaration and of any other building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild a common driveway shall first obtain the written consent of the adjoining Owner. If the affected Owners can not come to agreement as to the nature of or finish materials to be used in repair or replacement of any common driveway, the repair or replacement shall be to the same condition and surface as that originally installed.

7.8 Installation of Landscaping. Within ninety (90) days after the later of (i) the issuance of a certificate of occupancy for a Residential Unit, or (ii) conveyance of a Parcel with a Residential Unit constructed thereon from the developer of the residence, each Owner shall install trees, plants or other landscaping Improvements (together with any sprinkler system or drip irrigation system sufficient to adequately water the trees, plants or other landscaping Improvements) on that part of the Parcel which is located between the paved area of any street(s) adjacent to the Parcel and the exterior walls of the Residential Unit situated on the Parcel, except for (a) any side or back yard of the Parcel which is completely enclosed by a wall or fence and not Visible From Neighboring Property, (b) any portion of such Parcel which is an Area of Association Responsibility. All landscaping installed by an Owner or such Owner's contractors must be approved by the Design Review Committee prior to installation.

ARTICLE 8

INSURANCE

8.1 Scope of Coverage. Commencing not later than the time of the first conveyance of a Parcel to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

8.1.1 Commercial general liability insurance, including medical payments insurance, in an amount determined by the Board, but not less than \$1,000,000 per occurrence with a \$2,000,000 aggregate. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverages with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;

8.1.2 If and when applicable, Property insurance on all Areas of Association Responsibility insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Areas of Association Responsibility, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy.

8.1.3 If applicable, Worker's compensation insurance to the extent necessary to meet the requirements of the laws of Arizona;

8.1.4 Directors' and officers' liability insurance in an amount not less than \$1,000,000.00 covering the directors and officers of the Association against claims arising out of or in connection with the administration of the Association.

8.1.5 Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners;

8.1.6 The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions: (i) that there shall be no subrogation with respect to the Association, its agents, servants and employees, with respect to Owners and members of their household; (ii) no act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery on the policy; (iii) that the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust; (iv) a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; (v) statement of the name of the insured as the Association; and (vi) for policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the Association and the first mortgagee named in the policy at least ten (10) days in advance of the effective date of any substantial modification, reduction or cancellation of the policy;

8.2 Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each mortgagee or beneficiary under a deed of trust to whom certificates of insurance have been issued.

8.3 Payment of Premiums. The premiums for any insurance obtained by the Association pursuant to Section 8.1 of this Declaration shall be included in the budget of the Association and shall be paid by the Association.

8.4 Payment of Insurance Proceeds. With respect to any loss to any Area of Association Responsibility covered by property insurance obtained by the Association in accordance with this Article, the loss shall be adjusted with the Association, and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. Subject to the provisions of Section 8.5 of this Declaration, the proceeds shall be disbursed for the repair or restoration of the damage to the Area of Association Responsibility.

8.5 Repair and Replacement of Damaged or Destroyed Property. Any portion of the Areas of Association Responsibility which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (ii) Owners representing at least eighty percent (80%) of the total authorized votes in the Association vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged Areas of Association Responsibility shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (i) be retained by the Association as an additional capital reserve, or (ii) be used for payment of operating expenses of the Association if such action is approved by the affirmative vote or written

consent, or any combination thereof, of Members representing more than fifty percent (50%) of the votes in the Association.

ARTICLE 9

GENERAL PROVISIONS

9.1 Enforcement. The Association or any Owner shall have the right to enforce the Project Documents in any manner provided for in the Project Documents or by law or in equity, including, but not limited to, an action to obtain an injunction to compel removal of any Improvements constructed in violation of this Declaration or to otherwise compel compliance with the Project Documents. The failure of the Association or an Owner to take enforcement action with respect to a violation of the Project Documents shall not constitute or be deemed a waiver of the right of the Association or any Owner to enforce the Project Documents in the future. If any lawsuit is filed by the Association or any Owner to enforce the provisions of the Project Documents or in any other manner arising out of the Project Documents or the operations of the Association, the prevailing party in such action shall be entitled to recover from the other party all attorney fees incurred by the prevailing party in the action. In addition to any other rights or remedies available to the Association pursuant to the Project Documents or at law or in equity, the Board shall have the power to levy reasonable monetary penalties against an Owner for a violation of the Project Documents by the Owner, a Lessee of the Owner or by any Resident of the Owner's Parcel, provided the Owner is given notice and an opportunity to be heard.

9.2 Method of Termination. This Declaration may be terminated at any time if such termination is approved by the affirmative vote or written consent, or any combination thereof, of Owners representing ninety percent (90%) or more of the votes in each class of Membership and by the holders of First Mortgages on Parcels the Owners of which have seventy-five percent (75%) or more of the votes in the Association. If the necessary votes and consents are obtained, the Board shall cause to be Recorded a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Thereupon this Declaration shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles.

9.3 Amendments.

9.3.1 Except for amendments made pursuant to Subsection 9.3.2 or 9.3.4 of this Declaration, the Declaration may only be amended by the written approval or the affirmative vote, or any combination thereof, of Owners representing not less than seventy-five percent (75%) of the total votes in the Association.

9.3.2 The Developer, so long as the Developer owns any Parcel, and thereafter, the Board, may amend this Declaration, without obtaining the approval or consent of any Owner or First Mortgagee, in order to conform this Declaration to the requirements or guidelines of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the Veterans Administration or any federal, state or local governmental agency whose approval of the Project or the Project Documents is required by law or requested by the Developer or the Board.
